Why APIDEL

Onboarding Excellence

We possess a refined methodology for sourcing and onboarding candidates with hard-to-find skills for clients within defined deadlines by employing an assortment of innovative sourcing strategies, and a deep familiarity of our clients' commitments to pinpoint top talent in niche industries & specialized fields.

Talent Acquisition Specialists

Our experienced onshore & offshore recruiting teams have built extensive networks & strong relationships with candidates, which allows us to quickly & efficiently replenish hard-to-find positions. We utilize an advanced AI driven efficient & user-friendly talent management platform Job Diva to conduct screening processes, resume parsing, CRM, business intelligence analytics, & comprehensive assessments to ensure that our candidates possess the required skills & experience for the job. Furthermore, we excel at addressing aged requirements by leveraging our extensive network, strategic approach to sourcing, & pre-screened talent pool to quickly identify & engage with qualified candidates, surpassing our clients' anticipations even in tight timelines.

We are a Trusted Staffing & Recruitment Partner

Our pledge to furnishing personalized attention & customized solutions has earned us a reputation as a trusted staffing & recruitment partner for clients across industries.
